and experience all the benefits of your **FREE** membership !

As a student in architecture, you want to have first hand information from the building industry. You want to know all there is to know about the international architectural community. You want to exchange ideas and communicate with your fellow students all around the globe. But most of all, you want to BE SOMEONE.

Archi-Students offers you an identity and a voice and will allow you to see it all. More important, you will be seen: Upload your projects in your personal profile on the Archi-Students portal site. Decide which one of your projects will compete in the annual ARCHI-STUDENTS CREATIVE AWARD® and win superb prizes. But more important: build yourself an image, a reputation. Become known. Become someone !

As a member of Archi-Students, you will also have access to a variety of quality information. The Archi-Students site features an international database of all architectural schools, of students in architecture, of Erasmus exchange programs, a comprehensive calendar of architectural events all over Europe and beyond, Students4Fun, and much more.

Register before 31/01/06 and

win **Sony**  **WIO**

or **EPSON**® hardware !
